CAOS Nap/Quiet Time Information

Child's Name: _____

CAOS staff knows that getting adequate rest is an important part of being ready to learn and play each day. Because of this, nap will be provided to **three year olds/PS students** enrolled in Carle Auditory Oral School. We will continually monitor the napping procedures and napping behaviors of the children. If requested, families can receive daily notification about sleeping behaviors.

Napping behaviors include whether or not the child fell asleep during the allotted naptime as well as a description of their behavior during the time they are awake in the nap room.

Some children fall asleep quickly, and others more slowly. Some children sleep every day; others only sleep one or two times per week. These normal variances are okay as long as behaviors and noise levels do not detract from other students' ability to fall asleep. As with all processes and procedures at CAOS, nap time management is continually adapted to ensure maximal benefit. Staff will track napping behaviors and if concerns arise, the napper's family will be consulted to develop a plan moving forward. This plan may include development of a behavior plan for individual children, requests for support from home, or exclusion from nap at CAOS, if warranted.

Our four year-old Pre-K classroom schedule does not include a break for a nap. However some 4 year-olds have not yet transitioned out of a nap.

Please indicate below if your **four year-old** requires a nap during the school day. Please indicate your preferred nap duration:

Mark one: 30 min 60 min 90 min

I/We understand the napping procedures.

I/We understand that we may request a summary of my/our child's napping behavior.

I/We understand that CAOS staff will provide this summary if they have a concern about my/our child's napping behaviors.

CAOS Family Involvement Expectations

Child's Name: _____

Many private schools require parents to commit to a certain number of volunteer hours each year, helping in the classrooms, lunch room, school library or at after school events as part of their tuition agreement. Families who are unable to meet this requirement are often charged an additional fee. CAOS families are spared this requirement, largely due to the tremendous volunteer support that we receive from Carle's Volunteer Office and University of Illinois students. In lieu of this, we ask that families commit to each of the listed activities by initiating each expectation and signing below. Please see the handbook for additional information about each commitment statement.

ALL PARENTS:

- _____ Read with your children 5 - 7 days per week. Check and respond to information in your child's folder each night.
- _____ Review your child's journal each night, making entries as requested by your child's teacher.
- _____ Send morning snack for the school, approximately once every two months, for each enrolled student.
- _____ Share 3 traditions/ experiences with your child's class per school year.
- _____ Communicate with your child's teacher, school office or the program director if you have questions, suggestions or concerns about your child's educational program.
- _____ Participate in Parent Teacher Conferences two to three times per school year.

PARENTS OF CHILDREN WITH HEARING LOSS:

- _____ Ensure that your child arrives with functioning hearing device(s) on each day of attendance.
- _____ Ensure that you send extra batteries for your child's hearing device.
- _____ Ensure that you send troubleshooting equipment, such as earmold cleaning brushes, cochlear implant cables and headpieces, if applicable.
- _____ Observe or participate in 2 therapy session and 2 classroom lessons per year.
- _____ Participate in monthly Parent Professional Collaboration Meetings.

We greatly appreciate your support in these areas and realize that our school could not function successfully without you!

Tuition Policy

- Participation in automatic payment plan is **required** for all enrolled students. Electronic Funds Transfers (Tuition Express) will be made according to the attached schedule.

With this method of tuition billing, all accounts should remain current. In the event that tuition is not paid in full (due to change in banking institution or other unforeseen circumstance), families have one week to reconcile accounts and return to a zero balance. Failure to keep the tuition bill current will result in a temporary suspension for the student.

Students can be re-enrolled when tuition balance is paid in full within one week. The student's spot may be given to another family if tuition balance is not paid in full within two weeks.

We apologize for any inconvenience this policy may cause. It is essential that revenue from tuition be kept current in order to maintain our program and educational offerings. Please contact the director with any questions or concerns.

- It may be possible to obtain an exception by completing the Exception Request Form. Any approved exception will come with an expectation to pre-pay tuition, one month at a time. That is, August school tuition would be paid by August 1st, September Tuition in addition to unforeseen childcare fees from August, would be paid by September 1st, etc. Failure to comply with this pre-payment plan would result in your child's suspension from school/child care.
- Please indicate on the Student Personal Information form which method of payment you will be utilizing - Tuition Express or Tuition Exception.

Frequently Asked Questions

When I pay my tuition automatically, how secure is my account information?

Very secure – more secure than when you write checks. The checks you write every day have your name, address, phone number, and sometimes your driver's license number on them. With this information, criminals have all they need to access your account or worse, *steal your identity*. Automatic payments greatly reduce this potential problem by limiting the amount of information available and who has access to it. Tuition Express also incorporates additional security procedures, utilizing 128 bit encryption.

What if the childcare center makes a mistake and takes out too much money?

Report the error to your childcare center immediately – it was most likely an honest mistake. The childcare center will then adjust your account accordingly.

What if my childcare center and I disagree about a payment?

If you feel that the payment should not have been made, you have the right to dispute the charge. Contact your bank or credit card company. Tuition Express and your childcare provider will work closely to resolve the issue in a timely manner.

Does this form of payment give the childcare center access to my account?

Nobody at the childcare center has access to your account. When you sign up for Tuition Express, you only authorize *your* bank or credit card company to release the exact amount owed to your provider when it is due and payable.

How will I know when a payment was taken out of my account?

Your childcare expenses will be taken out of your account on a schedule that you and the childcare center agree upon. Your childcare center has the ability to print statements for your records prior to the withdrawal of any money. Additionally, the charges will show up on your monthly statement as "Tuition Express".

When I sign up for Tuition Express, how will this help my childcare provider?

Your childcare provider has chosen to offer Automatic Payments for several reasons. First, it will give you the convenience of not having to write a check every time tuition and fees are due. Second, it allows regular scheduling of your payments. Most importantly, Automatic Payments reduce the amount of time your childcare center spends on management activities, giving staff more time to spend with the children.

How do I get started?

Simply complete the "Payment Authorization" form and return it to your childcare provider. They will do the rest! For more information on automatic payments, visit www.directpayment.org. This is an excellent resource explaining the system and its benefits.

Where can I learn more?

Facts about Automatic Payments

- Automatic Payments have been around for more than 30 years and uses the same network as Automatic Deposits. More than 2 billion transactions a year are made via Automatic Payment.
- Each Automatic Payment is deducted from your account on the due date of each payment cycle so it is easy to track..
- Automatic Payments are confidential transactions. Just one or two people see them. In contrast, checks pass through three to nine hands as they are processed. PLUS, they have all the information available for a criminal to steal your identity.
- Automatic Payments help you maintain a good credit rating because bills are paid on time, every time.
- Record keeping is easy. Each bill paid automatically from your checking account or credit card is listed on your monthly statement.
- Consumers who use Automatic Payment are protected by the Electronic Funds Transfer Act of 1978, known as Federal Regulation E. www.bankersonline.com/regs/205/205.html
- Automatic Payment saves you money. It costs consumers close to \$100 a year in time and Automatic costs, such as postage, to pay bills by check instead of using Automatic Payment.
- Automatic Payments is great for travelers — since bills are paid automatically, you do not have to worry about them when you are out of town.

Dear CAOS Parents,

As you know, CAOS has a public Facebook page and a private Facebook group.

The **public page** is designed to communicate externally. First, it allows us to maintain our connection with former CAOS families by sharing events and experiences that current students are having at school. It also shares the mission and important elements of our program with prospective parents, professionals and donors who together ensure the future of our school.

The **private group** is intended for internal communication with families of current students. Both individual and group photos will be shared in the private group. This allows us to share more photos from different events and provide you with specific information and reminders, such as time and location of events like field trips and performances.

Based on some discussion with members of the PTO, we wanted to give families the opportunity to opt in or out of including their children's photos in Facebook posts. Please fill out the form to communicate your preference.

CAOS Child Illness Policy

If your child will be absent, please contact the school immediately and report the reason for your child's absence, sharing specific symptoms or diagnoses with your child's teacher, program director or the school voicemail box.

The public health crisis surrounding COVID-19 will officially expire prior to the start of the 2023-24 school year. As such, we are adjusting our illness policy. Since COVID-19 has not gone away, school administration reserves the right to request a COVID test when children present with symptoms associated with COVID, when community transmission rates are high or if there are other COVID cases identified at the school. We will contact the parent/guardian to request testing, if warranted.

COVID-19 ILLNESS POLICY

List of Symptoms currently associated with COVID-19 (subject to change)

- Fever 100.4 or greater
- Chills
- Cough
- Shortness of breath
- Difficulty breathing
- Fatigue
- Muscle or body aches
- Headache
- New loss of taste
- New loss of smell
- Sore throat
- Congestion or runny nose
- Nausea or vomiting
- Diarrhea

Children will be excluded from school if they experience vomiting, diarrhea, or a fever of 100.4 degrees Fahrenheit. Children may return to school when they have been free from vomiting, diarrhea, and/or fever for 24 hours without the aid of medication.

Additionally, children and staff will be asked to mask if they are exhibiting respiratory symptoms at school, in an attempt to reduce transmission of all respiratory illnesses

STANDARD ILLNESS POLICY (for symptoms not related to COVID-19)

Conjunctivitis (pink eye):	Unusual tearing, redness of eyelid lining, irritation followed by swelling and/or discharge.
May return when:	Note from physician stating the child does not have conjunctivitis or 24 hours after antibiotic treatment has been initiated.
Skin rashes:	Yellowish, unusual or persistent rash, severe itching of body or scalp, potentially infectious skin patches that are crusty, dry, scabbed, weepy or gummy.
May return when:	Note from physician that child is not contagious or condition has been resolved.
Impetigo:	Blistery rash that when blisters are open, produce a thick, golden yellow discharge that dries, crusts and adheres to the skin.
May return when:	24 hours after treatment has begun and there is no longer discharge.
Head lice:	Tiny insects that live primarily on the head and scalp that appear as tiny white or dark ovals and are especially noticeable on the back of the neck and around the ears.
May return when:	Lice and nit free. Student must contact the school prior to returning to schedule head check before returning to class.
Chicken Pox:	Low grade fever, vesicular rash (blister-like rash or bumps).
May return when:	Child's blisters must be completely scabbed.

Sometimes children are not experiencing the symptoms described above, but are clearly not themselves/ are not able to engage in learning and play at school. If the staff notices that your child is not themselves/ is unable to engage in learning and play at school, staff will call to let you know. Then you can help to determine the best treatment for your child.

Examples include, but are not limited to, being cranky, less active, crying, sleeping more, loss of appetite, generally uncomfortable, experience a stomach ache, headache, watery eyes, have trouble swallowing, etc. to the point that they are unable to engage in learning.

PROOF OF SCHOOL DENTAL EXAMINATION FORM

Illinois law (Child Health Examination Code, 77 Ill. Adm. Code 665) states all children in kindergarten, second, sixth, and ninth grades of any public, private, or parochial school shall have a dental examination. The examination must have taken place within 18 months prior to May 15 of the school year. A licensed dentist must complete the examination, sign, and date this Proof of School Dental Examination Form. If you are unable to get this required examination for your child, fill out a separate Dental Examination Waiver Form.

This important examination will let you know if there are any dental problems that require attention by a dentist. Children need good oral health to speak with confidence, express themselves, be healthy, and ready to learn. Poor oral health has been related to lower school performance, poor social relationships, and less success later in life. For this reason, we thank you for making this contribution to the health and well-being of your child.

CAOS Academic Tuition and Child Care Costs 2023-2024

Academic Tuition Costs for First Child

Academic tuition covers participation in class activities between approximately 9 a.m. and 3 p.m. Monday through Friday.

Child Care Costs for First Child

Child care includes care provided before school, after school, and on days that school is not in session. Child care sign up forms are sent home at the beginning of each month to reserve care for the following month. Forms are due back by the 1st of each month to reserve care for the following month. Care that is requested after the 1st of the previous month will be charged at the drop-in rate, which is \$1 more than the charges listed below.

	Number of Days Care is Available			Annual Cost	Monthly Cost	Biweekly Cost	Daily Cost
Before Care on School Days (\$7.51/day) Once reserved, care charges are non-refundable. (7 - 9 a.m. drop off any time in this range for this cost.)	200			\$1,502	\$150.20	\$75.10	\$7.51

*Choose Your Own Hours Care (\$5.05/ hour) Families might consider this option if they need care for a short time before and after school. Family provides exact times care is needed, CAOS office staff will round up to the next hour and bill reserved care at an hourly rate. For example, a family needing care from 8 - 8:40 and 3 - 4:15 would be billed for 2 hours of hourly care, \$10.10, rather than paying for both before care (\$7.51) and after care (\$11.13), \$18.64. Once reserved, care charges are non-refundable.	# of hours	# of days	Total Extended Care Hours	Annual Cost	Monthly Cost	Biweekly Cost	Daily Cost

Child Care on No School Days (\$55.16/day) Once reserved, care charges are non-refundable.	9			\$496.44	N/A - Child care days are spread throughout the school year, so an estimated monthly or bi-weekly charge is not available.		\$55.16

*Your actual cost will be determined by the amount, timing and type of child care you reserve.

Tuition billing is processed every two weeks on Fridays. Automatic payments through Tuition Express are deducted at this time.

To ensure a safe environment for the children and staff, child care staffing is based on the number of children reserving care each month. As space allows, we will be happy to accommodate unexpected needs for child care throughout the semester. Please communicate directly with the school office to determine whether ratios allow for your child to be safely included in child care on any given day. The best way to ensure that your child will be guaranteed a spot in child care is to reserve your child care needs each month by the child care sheet submission deadline.

Reserved care will be billed at the rates listed above in your bi-weekly child care automatic payment. Any care that is not reserved by the child care form submission deadline, the 1st of each month, will be due by drop-off the day after care is provided.

Carle employees receive a 10% discount for each child who attends Carle Auditory Oral School. The sibling discount is available to Carle employees, though it should be noted that the ten percent sibling discount is calculated after the employee discount is applied.

Sibling Discounts - All families will receive 10% off tuition, before care and after care for any additional children attending the school.

Child Care Resource Service offers financial support so that families with lower incomes can access high quality programs for their children while they work or attend school. Our school is credentialed with CCRS. Individual families can apply to CCRS to determine whether their income and family size qualifies for CCRS support. Eligible families will be assigned a monthly family co-pay. That monthly co-pay plus the CCRS payment covers the full cost of tuition and child care for eligible students.

Google Drive Permission Form

Dear CAOS Parents,

During the COVID school closure, CAOS staff created the CAOS Google Drive to be an online location where parents and staff could collaborate, share materials and updates with one another. Each parent was asked to give permission for the creation of a folder for their child. Once permission was granted, access to that folder was shared with the child's team (i.e., parents, deaf educator, and therapists). Each member of the team could read information, add their own updates and provide input into goal selection. In the past, we have used a folder on Carle's shared drive which can be accessed by all staff members while logged into their Carle computer. The Google drive allows us to extend access to families as well.

We found that this worked really well for children who are deaf or hard of hearing last semester and we are interested in exploring how it might work for our typically hearing students this fall. Please read and sign below to grant permission for us to create a Google folder for your child. If you choose to opt out of the CAOS Google drive, you will still receive information via email/your child's folder as needed. If you have questions, please contact Danielle.

Thank you for your time and collaboration!

CAOS Staff

Child's Name:

I understand that a folder for my child will be created and added to the CAOS Google drive, that the CAOS Google drive will contain information about my child's academic test scores, month at a glance sheets, potentially journal assignments and that my child's team will be invited to read and edit the documents in my child's folder. Further, I understand that the Google drive is outside Carle's encrypted network, but is protected by Google's security measures and each user needs to be invited to collaborate by CAOS staff.

Please carefully read the statements below, mark that statement that represents your decision about the CAOS Google drive for the coming school year.
